

FlexPrint Named One of America's Fastest Growing Private Companies by Inc. Magazine for Second Consecutive Year

TEMPE, Arizona – August 24, 2011 - FlexPrint Inc., (www.flexprintinc.com), the leading national provider of document management and managed print solutions, has been named one of the nation's fastest growing private companies by *Inc.* Magazine. In the past three years, the company has seen a 289 percent growth. This marks the second consecutive year FlexPrint has made the Inc. 500/5000 list.

"We are honored to once again be named to such a prestigious list," said Frank Gaspari, CEO and Founder of FlexPrint. "I continue to attribute our success to our unique and proven business model, and our passionate employees who are dedicated to delivering exceptional customer service."

FlexPrint was among the top 20 fastest growing companies in Arizona on this year's Inc. 500/5000. Additionally, the company was one of 327 businesses that were featured in the top 500 last year, to actually make the list again this year.

For more than 30 years, *Inc.* Magazine has released its 500|5000 list, showcasing accomplishments within the country's private and independent sectors. The list is ranked according to percentage revenue growth from 2007 through 2010. To qualify, companies must have been founded and generating revenue by March 31, 2007.

Since its beginning in 2005, FlexPrint has experienced a 700 percent growth year-over-year. The company has grown from three to more than 100 employees who all work to manage 70,000 devices throughout the country. FlexPrint has also created 100 jobs in 20 different states in the past few years.

"Despite the challenging economic climate, FlexPrint is poised to continue on our growth path," Gaspari said. "Our consultation approach combined with our innovative services and technologies make us an ideal partner for any business looking to reduce operating costs, improve processes and reduce overall paper consumption."
